

# This is My Hell

## Ashes of Ares

As I travel down this, lonely road  
So many signs i should have seen  
Path's I've chosen never, rise to meet  
The man i should have beenAs i sit here, huddled in the dark  
A sullen face, tattered clothes  
Thoughts of you, struggle to keep me warm  
In this night so bitter coldDevastated All alone  
Of my sins i can't atone  
Self-Imposed  
This is my Hell! (I Want you to release me!)  
Forgotten Soul some twenty years  
A vivid memory of your tears  
Let me go  
This is my Hell! (I want you to release me!)Can't control my inner rage  
Now i'm damned to live the day  
For all time  
This is my hell! (I want you to release me!)  
I'd trade my soul for what I've done  
I swear to father and to son  
You were my world  
This is my Hell! (i want you to release me!)I can see the tears  
Falling from your eyes  
I can see the Light  
Growing dimmer as i dieOver and over in my mind  
I've come to you so many times  
And asked forgiveness  
For your Hell! (I want you to release me!)  
Please Forgive this awful thing  
So i can hear Death's angels sing  
you were my world  
This is my Hell! (I want you to release me!)I can see the tears  
Falling from your eyes  
I can see the Light  
Growing dimmer as i dieI can see your tears! (I can see your pain!)  
Falling from your eyes  
I can see the Light  
Growing dimmer as i die
