Light of a Clear Blue Morning

Dolly Parton

(Dolly Parton)It's been a long dark night
And I've been a waitin' for the morning
It's been a long hard fight
But I see a brand new day a dawning
I've been looking for the sunshine
'Cause I ain't seen it in so long
But everything's gonna work out just fine
Everything's gonna be all right
That's been all wrong'Cause I can see the light of a clear blue morning
I can see the light of a brand new day
I can see the light of a clear blue morning
And everything's gonna be all right
It's gonna be okayIt's been a long long time
Since I've known the taste of freedom
And those clinging vines
That had me bound, well I don't need 'em'Cause I am strong and I can prove it
And I got my dreams to see me through
It's just a mountain, I can move it
And with faith enough there's nothing I can't doAnd I can see the light of a clear blue morning
And I can see the light of brand new day
I can see the light of a clear blue morning
And everything's gonna be all right
It's gonna be okayI can see the light of a clear blue morning
I can see the light of a brand new day
Yes I can see the light of a clear blue morning
And everything's gonna be all right
Everything's gonna be all right
Everything's gonna be all right
It's gonna be okay'Cause I can see the light of a clear blue morning
I can see the light of a clear blue morning
Yes I can see the light of a clear blue morning
Everything's gonna be all right
It's gonna be okayI can see the light
I can see the lightIt's gonna be all right
It's gonna be all right
