In the Nightfall

The Veils

I stepped out to the sound of my radio on the right song
And I thought I saw a sign, and I know it rained
Because the night shone
Darling how long do I have to wait to get you alone in the nightfall?
Then I woke to the sound of that roaring wind at my front door
And I thought it might flood if it only rained a little more
Darling how long do I have to wait to get you alone in the nightfall?
Oh my love
I know you feel me coming on
Oh my love
You know one kiss won't be enoughDarling how long do I have to wait to get you alone in the nightfall?
