

# Iron Curtain

## Over the Rhine

Yesterday I saw  
The iron curtain  
Around your heart  
Yesterday I saw  
The iron curtain  
Around your heart  
Making me cry  
Making me wonder  
Bringing me down  
But making me love you  
Making me sad  
Making me sorry and  
A little afraid  
But making me love you  
Yesterday I saw  
The iron curtain  
Around your heart  
Yesterday I saw  
The iron curtain  
Around your heart  
Making me cry  
Making me wonder  
Bringing me down  
But making me love you  
Making me sad  
Making me sorry and  
A little afraid  
But making me love you  
Yesterday I saw  
The iron curtain  
Around your heart  
Yesterday I saw  
The iron curtain  
Around your heart
