

Desperate Love

Blume

Loneliness
Is a heavy stone I know
But your scorn and hate
Won't ever change my mind
Don't even try
To tell me what is wrong or right
I'm free like a fool
A poet and a clown
Der Einzige Und Sein Eigentum
I'm a stranger to myself
Der Einzige Und Sein Eigentum
The celebration of extreme reactions
Existence
Is like a cigarette
Our lives are burning fast
Come and join the fire dance
Der Einzige Und Sein Eigentum
I'm a stranger to myself
Der Einzige Und Sein Eigentum
The celebration of extreme reactions
Der Einzige Und Sein Eigentum
I'm a stranger to myself
Der Einzige Und Sein Eigentum
The celebration of extreme reactions
