

Don't Explain

Etta James

Hush now, don't explain
Just say you'll remain
I'm glad you're back, don't explain Quiet, don't explain
What is there to gain?
Skip that lipstick, don't explain You know I love you and what love endures
All my thoughts are of you for I'm so completely yours
Cry to hear folks talk and I know you'll cheat
Right or wrong don't matter when you're with me, sweet Hush, don't explain
You're my joy and pain
My life's yours love, don't explain You know I love you and what love endures
All my thoughts are of you for I'm so completely yours
Cry to hear folks talk and I know you'll cheat
Right or wrong don't matter when you're with me, sweet Hush, don't explain
You're my joy and pain
My life's yours love, don't explain
