

# Hogus Pogus

## Elvis Perkins

Say, you're a much nicer person  
since the hog's heart was inserted in you  
say how it is now with your new lifeWell, there's no more aching  
or a heart breaking  
there's no more bacon for meI am a much happier person  
when up at dawn and down to earth  
and o I highly recommend it to theeYou'll have no more crying  
no more sighing  
no more lying from meSee I was once pig headed  
now I love to be petted  
In the mud to be bedded by theeI am more in my body  
with it more and less naughty  
O I think I'll finally write that biographyIt will read: 'o so much aching  
there was oh so much bacon  
it was the massive coronary  
which opened my eyes to see'No more crying  
no more denying  
no more complying for meI have much more feeling  
i do much more squealing  
more reeling in the great mysteryIn fact I found my true law  
in my own body  
O I found my true law  
my doc he put it in me  
O I found my true love  
In the end it was meNa na na na na na na na na  
O o o o o...
