Everywhere I Go

Tim Timmons

There's a city that calls me by name
There's a city that calls me by name
Yes, as I run this race I am cheered by the saints
There's a city that calls me by name
There's a future that runs through my veins
There's a future that runs through my veins
And there's nothing on earth that could stand in the way
There's a future that runs through my veins
Everywhere I go on this road, high and low
Where I go, I go with You
So I won't be afraid, this my hope, come what may
Where I go, I go with You
Where I go, I go with You
There's a Spirit I cannot contain
There's a Spirit I cannot contain
The same power that raised Jesus up from the grave
The same Spirit I cannot contain
Breath upon these bones
Your fire in my soul
Your kingdom is my home
And I don't walk alone
