

# So Long

Natalie Grant

Na, na, na, na, na, na, na  
Na, na, na, na, na, na, na  
Na, na, na, na, na, na, na  
Na, na, na, na, na, naMystified by the struggle  
To survive my own pride  
Haunted by the demons  
Of my past life, yeahWho am I? And why do I?  
Are questions that keep running  
Through my mind, yeahBut underneath this shallow skin  
A brand new me is comin' out  
Comin' out from withinSo long, farewell to my old self  
Goodbye to the lie that I can't be someone else  
'Cause who I was ain't who I am  
I know that I've been born again  
Those stains of my history are gone, gone, gone  
So longApathy, hunting me  
Like some contagious disease  
Hypocrisy hiding in the shadows  
Of the former meDoin' what comes naturally  
I'm not who I want to be  
Ready to, I'm ready to be free, oh yeahSo long, farewell to my old self  
Goodbye to the lie that I can't be someone else  
'Cause who I was ain't who I am  
I know that I've been born again  
Those stains of my history are gone, gone, gone  
So longYeah, yeah, yeah, yeah, yeah, so long  
Na, na, na, na, na, na, na, so long  
So long, yeahNa, na, na, na, na, na, na  
Hey, hey, hey, so long  
Na, na, na  
(Na na na na na)  
Na, na, na, na  
Hey, hey, hey, so long, yeahSo long, farewell to my old self  
Goodbye to the lie that I can't be someone else  
'Cause who I was ain't who I am  
I know that I've been born again  
Those stains of my history are gone, gone, gone  
So long, so longNa, na, na  
(See you later, so long, yeah)

Na, na, na  
(Na, na, na, na, na, na, na)
