

Saturday Night (Duet with Trijntje Oosterhuis)

Herman Brood

The neon light, of the Open all night
Was just in time replaced by the magic appearance of a new day-while
A melancholic Reno was crawling on his back just in
Front of the supermarket door-way childHey girl, on a cold summer night
As we stood on the corner
As a man passed by and asked us
What we were doing what we need
As he pointed his big fat finger
To the people hangin' round at the corner of the - other side of street
Oh wellDoin' nothing, just hanging around
What do you mean doin' nothing Sir
So we had to hit him to the ground
Doin' nothing just hanging around
His head all busted lookin' just a little to wise childI just can't wait
I just can't wait for Saturday night
For Saturday night
For Saturday night
Saturday nightSaturday night
Saturday night
Saturday nightI just can't wait
I just can't wait
