Silly People

George Lee Andrews

Damned if you do and you're damned if you never
Damned if you feel alright
Loafing and free, it's the same way every nightAnd if you think you amaze like the dumb
Every other fool but never go outside
When will you see that you can't even run and hide?And everybody's looking at the silly people, living silly lives
Laying all around incessantly, oh yeah
And if you're hearing all those little people telling little lies
It's time to live, it's time to get a life, yeahDay turn to week and the week to year
You can't ever, can't hold on
Nothing to be, it's a sad way to go alongAnd if the prize for the win is the size of the sin
But you'll never win that way
Nothing to be, it's a shame every other dayAnd everybody's looking at the silly people, living silly lives
Laying all around incessantly, oh yeah
And if you're hearing all those little people telling little lies
It's time to live, it's time to get a lifeSo carry on, yeah, if you wanna think of nothing
Well, then you'll be, so nothing that you'll
Never know what you're not, yeahAnd if you're hearing all those little people telling little lies
It's time to live, it's time to get a lifeWell, it's time to live, it's time to get a life
Well, it's time to live, it's time to get a life
Well, it's time [incomprehensible], time to get a life
[Incomprehensible]
