Saturday I'm In Love (Acoustic)

Auryn

Good day sunshine, love ya
Are you ready for a perfect sunny day?
Good day sunshine, kiss me
Tell me what you want,
Let us break away
On Mondays you and I we start a fight,
It'll always be the same
On Tuesday, Wednesday night it's all so quiet
It's nothing left to sayCHORUS:
Saturday I'm In Love
It's all about me and you
It's Saturday!
Saturday I'm In Love
i'm head over heels for you
will run away run away with you until the world is through
Saturday Saturday Saturday
Saturday I'm In Love
It's all about, me and you
It's Saturday, you and me in love.Good day sunshine, hold me never let me go
I need you to stay
Good day sunshine, show me what you're looking for
Let me lead the way
On Thursday I say Hi, a timid smile
On Friday, no regrets
'Cause soon i realize that we'll conspire
all saturdays ahead.CHORUS:
Saturday I'm In Love
It's all about, me and you
