

Imibuzo

Nathi

Uyenza buhlungu intliziyo yamUdenza ndizi buze imibuzoNgelinye ixesha s'thandwa samKuba ngathi aluboni
uthando lwam Ngelinye ixesha s'thandwa samNdibangazama awuboni umzamo wam
Kodwa xa ndingekho phambi kwakho uyayazi kubanjani nahKuba xa ungekho phambi kwam ndiyayazi kunjani
kum

Uyenza buhlungu intliziyo yam
Udenza ndizi buze imibuzo
Uyenza buhlungu intliziyo yam
Udenza ndingalali ebusuku
Usakhumbula uba kukho izithembiso
Esazenzayo phambi komfundisi nabantu
Kuba wawuthe uzakuba nam noba kunjani ebuhleni nasebubini
Ndiyamangala xa izabanguwe lo ufunuhamba ufunu thathi zinto zakho ugoduke
Ndiyamangala xa izabanguwe lo ufunu goduka ngenxa yokuba ndingena mali
Uyenza buhlungu intliziyo yam
Udenza ndizi buze imibuzo
Uyenza buhlungu intliziyo yam
Udenza ndingalali ebusuku
Yeyani yeyani le mibuzo ndinayo ngawee
Yeyani yeyani na kutheni ndizi buza lemibuzo
Uyenza buhlungu intliziyo yam
Udenza ndizi buze imibuzo
Uyenza buhlungu intliziyo yam
Udenza ndingalali ebusuku
