

# Discovery channel (AlexTinst (GC-project) remix)

## Bloodhound Gang

Ha ha, well now, we call this the act of mating  
But there are several other very important differences  
Between human beings and animals that you should know about  
I'd appreciate your input  
Sweat baby, sweat baby  
Sex is a Texas drought me  
And you do the kind of stuff  
That only Prince would sing about  
So put your hands down my pants  
And I'll bet you'll feel nuts  
Yes, I'm Siskel, yes I'm Ebert  
And you're getting two thumbs up  
You've had enough of two hand touch  
You want it rough, you're out of bounds  
I want to you smothered, want you covered  
Like my waffle house, hash, browns  
Comin' quicker than Fed Ex  
Never reaching apex like Coca Cola stock  
You are inclined to make me rise an hour early  
Just like daylight savings time  
You and me baby, aint nothin but mammals  
So lets do it like they do on the Discovery Channel  
You and me baby, aint nothin but mammals  
So lets do it like they do on the Discovery Channel  
Love, the kind you clean up with a mop and bucket  
Like the lost catacombs of Egypt  
Only God knows where we stuck it  
Hieroglyphics  
Let me be specific  
I wanna be down in your south seas  
But I got this notion that the motion of your ocean  
Means small craft advisory  
So if I capsize on your thighs, high tide  
B 5, you sunk my battleship  
Please turn me on  
Im Mr. Coffee with an automatic drip  
So show me yours, Ill show you mine  
Tool time, youll love it just like Lyle  
And then well do it doggy style  
So we can both watch X-files  
You and me baby, aint nothin but mammals  
So lets do it like they do on the Discovery Channel  
You and me baby, aint nothin but mammals  
So lets do it like they do on the Discovery Channel  
You and me baby, aint nothin but mammals  
So lets do it like they do on the Discovery Channel  
You and me baby, aint nothin but mammals  
So lets do it like they do on the Discovery Channel  
You and me baby, aint nothin but mammals

So lets do it like they do on the Discovery Channel
