Ladies and gentlemen
This is a Jazze Phizzle Productshizzle
'Missy', the princess is here 'Ciara'(This beat is)
Automatic, supersonic, hypnotic, funky fresh
Work my body, so melodic, this beat rolls right through my chest
Everybody, ma and papi, came to party
Grab somebody,work ya body, work ya body
Let me see you one, two stepRock it, don't stop it, everybody get on the floor
Crank the party up, we about to get it on
Let me see you one, two step
I love it when you one, two step
Everybody one, two step, we about to get it on(This beat is)
Outrageous, so contagious, make you crave it
(Jazze made it)
So retarded, top charted, ever since the day I started
Strut my stuff and yes I flaunt it, goodies make the boys jump on it
No I can't control myself, now let me do my one, two stepRock it, don't stop it, everybody get on the floor
Crank the party up, we about to get it on
Let me see you one, two step
I love it when you one, two step
Everybody one, two step, we about to get it on
We gone drop it like thisIt don't matter to me, we can dance slow
Whichever way the beat drops our bodies will flow
So swing it over here Mr. DJ and we will, we will, rock youIt don't matter to me, we can dance slow
Whichever way the beat drops our bodies will flow
So swing it over here Mr. DJ and we will, we will, rock youI shake it like JLO, make the boys say hello
