Mihi

Beastwars

I wait, I wait some more for you to take me back
I pray, I pray so much I kneel at the holy mind
I see the color, color red before my holy eyes
I play with the fire in the hand of the time of the crazy oneBurn the land, burn the ground, burn the house
Burn the memories that we all had
Burn the time, burn the place, burn the soul
Of the crazy one, the crazy one
Find the color, color red in the time of the righteous one
Let me scream like the Lightning God
Let me burn the land to the sea
Burn the lady
Burn the land
