And Then

evan morris

she reaches out to touch me
shes smiles when i get lost in her brown eyes
just knowing that she loves me
makes everything thats wrong in my world alrightand theeeeeeeeeeeeeeeen
---
chorusi jump out of bed, and i jump in the shower
get dressed in a hurry, just to wait in rush hour
drink cold coffee from a styrofoam cup
sittin at my desk workin just as the sun comes up
the phones don't stop and my head keeps spinnin
gotta keep puttin up with the crap just to make a livin
its yes sir no sir havent got the answer call me in the
mornin its past five again
and theeeeeeeeeen
---
she reaches out to hold me
its peace i find when im in her lovin heart
just knowin that shes always there gives me the strength i need
to keep goin on
and theeeeeeeeeeeeeeeeeeeen
---
chorusits day after day of the same old thing
cant help feeling like a puppet on a string
to keep me dancin to the same old song
before i know it my vacations come and gone
im just sick and tired of the constant grind
hangin by a thread goin out of my mind
doctors, taxes, lawyers, faxes it a vicious circle goin
round and round again
and theeeeeeeeeeeeeeeeeeeen
---
just knowin that she loves me
makes everything thats wrong in my world alright
and theeeeeeeeeeeeeeeeeeeen
and then
