Standing In The Hallway

The Bangles

Standin' in the hallway
Trouble comin' my way
He called me on the telephone
Guess I'm gonna be alone
(Ooo ooo ooo, ooo ooo ooo)
Where did our love go?
(Ahh)
Where did it go?
Love is such a puzzle
In this great big world
I'm good to you
But you're bad to me
Gotta try to lose
Gotta try, gotta lose this misery
Tried to do it in your way
You wouldn't meet me halfway there
(Ooo raa, ooo raa, ooo raa, ooo)
You used to say you loved me
Now you just sit and stare
(Ooh, ooo raa ooo)
Where did our love go?
(Ahh)
Where did it go?
Love is such a pain
In this great big world
I'm good to you
But you're bad to me
Gotta try to lose
Gotta try, gotta lose this misery
If you wanna keep me here
You better try to make it clear
(Waa roo, waa roo)
'Cause I'm halfway out the door
I can't take it anymore
(Waa roo, waa roo)
Where did our love go?
(Ahh)
Where did it go?
Love is such a gamble

In this great big world
I'm good to you
But you're bad to me
Gotta try to lose
Gotta try, gotta lose this misery
