

Feline or Famine

Violet Indiana

If the promise I gave to you wasn't good enough
Say goodbye to me, goodbye
If the time I gave to you wasn't long enough
Don't cry to me or let me see
If you don't trust me then you don't know me
How much I'm here for you I am here for you
Oh, I am here
Oh, I am here for you
I am here for you
That's where I'll be if you take yourself away, you might as well take me too
I'm no good without you
If your day seems too dark, alone and too stark
Turn your light to me
I'll shine bright if you let me I am here
Oh, I am here
That's right where I'll be
I am here for you
I am waiting for you Oh, I am here for you
Oh, I am here
Why don't you just believe in me
I am here for you
Oh, come here
