

# Anybody But Me

[Brenda Lee](#)

I wish I could be anybody but me  
I wish I could be anybody but me  
Lonely, lonely as I can be Well, I had a true love, had the world in my hands  
Now I got a hurt, I can't hardly stand  
A little bit of loving would be so grand I'm not the same old me that I use to be  
I wanna be somebody just anybody but me  
I got the blues on my mind, blues won't let me be Now I wanna be free from what's holding me  
Take away these tears, take away these tears and let me see  
'Cause I wanna be back like I use to be
