

# Future

## Paramore

I'm writing the future  
I'm writing it out, loud.  
We don't talk about the past  
We don't talk about the past, now So I'm writing the future  
I'm leaving a key here  
Something won't always be missing  
It won't always feel empty, here Just think of the future  
And think of your dreams  
You'll get away from here  
You'll get away eventually So just think of your future  
Think of a new life  
Don't get lost in the memories  
Keep your eyes on a new prize
