Infomercial (interlude)

Kj-52

(someone saying) Tired of those CD's that don't leave you fufilled
Come on down to KJ-52! Thats right! Its Funky! Well dont take our word for it! Listen to our sponser the Kleesder!
Thats right it slices it dices it makes these .....(cant understand what he is saying)Ha Ha ha Ha!
But dont take our word for it, ask these satisfied customers!

I used to be a cross eyed bowlegged one-armed safety patrolman but since listening to KJ-52 ive since elevated myself to crossing guard. Thank You KJ!
Hey no problem thats what were here for. Well come on down to KJ-52. If you act now well throw in a mullenator! Thats right, itll give yourself a mull haircut before you even know what happened!So Come on down. Act now while supplies are limited.
KJ-52 is not responsible for animal attacks based on the mull haircut thank you
