How We Do

Mr Flave

You know how we do hey there is a see through
He do not need you . with my people
Cause you know how we do
You know how we do
You know how we do
You know how we do

You know how we do
These hoes are evil we do not need you
Make .with my people
You know how we do
You know how we do
You know how we do
You know how we do
