

# Closest I Get

[Katie Herzig](#)

What if I wait and you don't show  
If I left you have just to keep me home  
What if I held my breath so long  
That you notice the silence that lasts so long  
What if the closest I get to the moment  
Is now...  
I have seen love come and go  
Oh, I watched it catch with one hand held close  
There's no easy way to know

If I'm looking back or I'm getting close  
What if the closest I get to the moment  
Is now...  
Love, it has no guarantees  
Which means will it lay its hands on me  
You said the words we know don't work  
And I'm still here waiting to see  
What could it be  
What if the closest I get to the moment  
Is now...
