

Run (II) [12" Version]

New Order

Answer me
Why won't you answer me?
I can't recall the day
That I last heard from you Well you don't get a tan like this for nothing
So here's what you've got to do
You work your way to the top of the world
Then you break your life in two Well what's the use in complaining
When you've got what you don't need
Anyone would think you were hard done to
What do you want me to believe? What the hell is happening
I can't think of everything
I don't know what day it is
Or who I'm talking to But I know that I'm okay
'Cause you're here with me today
I haven't got a single problem
Now that I'm with you So what's the use in complaining
When you've got everything you need
Anyone would think you were hard done to
What do you want me to believe?
