

# Heart's Content (Strings Mix)

Brandi Carlile

Maybe you thought  
I hung the moon  
Maybe you thought  
We were Johnny and June  
Maybe we thought  
It was just us two  
Maybe we spoke too soonWe never lie  
And we don't tell tales  
We bite our tongues  
And our fingernails  
We fall in love  
And we don't fall out  
Maybe we speak too soonHere's you and me  
And in between, we draw a line  
But we can't see where it's been  
We scratch our heads  
And race against the heart's content  
Oh oh oh, oh yeahMaybe we hurt who we love the most  
Maybe it's all we can stand  
Maybe we walk through the world as ghosts  
Break my own heart before you canHere's you and me  
And in between, we draw a line  
But we can't see where it's been  
We scratch our heads  
And race against the heart's contentOh oh oh, oh yeahMaybe we know how the story ends  
Maybe it's not even about us  
We both retreat to opposing sands  
And the love lives on without usOne thing I know for sure is  
Love will find a way  
Love will find a wayHere's you and me  
And in between, we draw a line  
But we can't see where it's been  
We scratch our heads  
And race against the heart's contentOh oh oh oh  
You and me  
Oh oh oh oh  
You and me  
Oh oh oh oh  
You and me

Oh oh oh, oh yeah
