

# 'Reck-a-Nowhere

## Anti-Nowhere League

I want some girl to 'reck it for me  
I want some girl to 'reck it for me  
And if she's ugly I don't mind [They're all ugly]  
She does upon want to grind,  
Want to grind, want to grind  
And let her 'reck it for me My dick is in eternal state  
Six inches long I cannot with wait (???)  
Gonna love my dick, love me grind  
I have my dick, let me push it your way  
Push it your way, let it stay  
And let her 'reck it for me Don't wanna lie awake in bed  
I killed my body, I killed my head  
'Recking's good but I have much to see  
I have a penis so let me be (boss)  
Let me be (boss), let me be  
And let her 'reck it for me 'Recking (??) is so very nice  
'Recking (??) is so my advice  
Will you 'reck it by night, will you 'reck it by day?  
Will you 'reck it too much and wear it away  
Wear it away, wear it away  
And let her 'reck it for me
