

Disappear

Inxs

Say I'm cryin', lookin' at what's on TV
Pain and sufferin' and the struggle to be free
It can't ever be denied and I never will ignore
But when I see you comin' I can take it all You're so fine, lose my mind
And the world seems to disappear
All the problems, all the fears
And the world seems to disappear Say you're mine and give yourself
To the feelings that you know
I'm needin' all that you can give me
All the things that you do so well Words are healin', sweet anticipation
Makin' spells as the shadows close in
And fall across all our yesterdays You're so fine, lose my mind
And the world seems to disappear
All the problems, all the fears
And the world seems to disappear You're so fine, lose my mind
And the world seems to disappear
All the problems, all the fears
And the world seems to disappear Disappear, disappear
Disappear, disappear
Disappear, disappear
Disappear, disappear Say if I could
Look into myself and reason
But I could never never see or
Make sense of the deal Turn around I'm lookin' at salvation
Make me realize all that I am, baby
You put the light inside this man You're so fine, lose my mind
And the world seems to disappear
All the problems, all the fears
And the world seems to disappear You're so fine, lose my mind
And the world seems to disappear
All the problems, all the fears
And the world seems to disappear You're so fine, lose my mind
And the world seems to disappear
All the problems, all the fears
And the world seems to disappear You're so fine
