Distant Skies

Stratovarius

Went into the plane, was scared like hell
Tried to relax for awhile
And when we took off I feared we would fall
Waving goodbye to this lifeI'm flying through winds tonight
No sign of the dawn or lightSilhouettes in the sky
Wings are carrying me through the night
Silhouettes in the sky
Destination unknown, distant skiesThen after a while I tried to sleep
But watched two movies instead
The fear struck again, how I hate this plane
I hope this would come to an endI'm flying through winds tonight
No sign of the dawn or lightSilhouettes in the sky
Wings are carrying me through the night
Silhouettes in the sky
Destination unknown, distant skiesSilhouettes in the sky
Wings are carrying me through the night
Silhouettes in the sky
Destination unknown, distant skiesSilhouettes in the sky
Wings are carrying me through the night
Silhouettes in the sky
Destination unknownI'm flying through the night
No sign of the light
I'm flying through the night
Distant skies
