

# Distant Skies

## Stratovarius

Went into the plane, was scared like hell  
Tried to relax for awhile  
And when we took off I feared we would fall  
Waving goodbye to this life I'm flying through winds tonight  
No sign of the dawn or light Silhouettes in the sky  
Wings are carrying me through the night  
Silhouettes in the sky  
Destination unknown, distant skies Then after a while I tried to sleep  
But watched two movies instead  
The fear struck again, how I hate this plane  
I hope this would come to an end I'm flying through winds tonight  
No sign of the dawn or light Silhouettes in the sky  
Wings are carrying me through the night  
Silhouettes in the sky  
Destination unknown, distant skies Silhouettes in the sky  
Wings are carrying me through the night  
Silhouettes in the sky  
Destination unknown, distant skies Silhouettes in the sky  
Wings are carrying me through the night  
Silhouettes in the sky  
Destination unknown I'm flying through the night  
No sign of the light  
I'm flying through the night  
Distant skies
