

Bubbly (feat. Idris Elba)

Macy Gray

Been awake for a while now
You've got me feelin' like a little child
'Cause every time I see your bubbly face
I get the tingles in a silly place
Caught on my toes, and I rinkle my nose
Where ever it goes, yea I always know
And you make me smile, please, stay for a while now
Take your time wherever you go
Rain is fallin' on my window pane
But we are hidin' in a safer place
Under covers stayin' dry and warm
You give me feelings that I adore
It starts in my toes, make me crinkle my nose
Wherever it goes, yea I always know
And you make me smile, please, stay for a while now
Take your time wherever you go
What am I gonna say? mmm
And you make me feel this way
I just, mmm
What am I gonna say?
You make me
You make me feel this way
Oh, I'm just mmm
I've been asleep for a while now
You tucked me in just like a child now
And every time you hold me in your arms
I'm comfortable enough to feel your warmth
It starts in my soul, and I lose all control
You kiss my nose and feelin' shows
You make me smile, baby, take your time now
Hold me tight wherever you go
Wherever you go now
Wherever you go
Wherever you go yea yea yea
Wherever you go yea
Wherever you go
Wherever you go yea
I'll always know
'Cause you make me smile now
I'll always know
