

Shiver Shiver (Bells & Whistles Mix)

Walk the Moon

You grip your hands around my throat
And you strip the buttons off my coat
And I choose the methods I do best
And the thump-thumps are thumping in you chest When you are close to be I shiver
When you are close to be I shiver
When you are close to be I shiver
When you are close to be I shiver You leave these marks upon my neck
And they're still there
I know but I still check And the thump-thumps are thumping in my chest
As I loose the feeling in my fingertips When you are close to be I shiver
When you are close to be I shiver
When you are close to be I shiver
When you are close to be I shiver
Owley, you're dear to me
Please check your clothing at the door
And who you're supposed to be
You always leave me wanting more
Owley, you're dear to me
Shall we get intimate again?
Owley, you're dear to me
Shall we get intimate again?
Shall we get intimate again?
Shall we get intimate again?
I think so, I think so
Shall we get intimate again?
Owley, you're dear to me, me When you are close to be I shiver
When you are close to be I shiver
When you are close to be I shiver
When you are close to be I shiver When you are close to be I shiver
When you are close to be I shiver (ooh oh, ooh oh)
When you are close to be I shiver
When you are close to be I shiver, shiver
