People Like Us

Kelly Clarkson

We come into this world unknown

But know that we are not alone

They try and knock us down

But change is coming, it's our time now

Hey... everybody loses it,

Everybody wants to throw it all away sometimes

And hey... yeah I know what you're going through

Don't let it get the best of you, you'll make it out alive

Ohh

People like us we've gotta stick together
Keep your head up, nothing lasts forever
Here's to the damned, to the lost and forgotten
It's hard to get high when you're living on the bottom
Oh woah oh oh woah oh
We are all misfits living in a world on fire
Oh woah oh oh woah oh
Sing it for the people like us, the people like us
Hey, this is not a funeral
It's a revolution, after all your tears have turned to rage
Just wait, everything will be okay
Even when you're feeling like it's going down in flames
Ohh

People like us we've gotta stick together
Keep your head up nothing lasts forever
Here's to the damned, to the lost and forgotten
It's hard to get high when you're living on the bottom
Oh woah oh oh woah oh
We are all misfits living in a world on fire
Oh woah oh oh woah oh
Sing it for the people like us, the people like us

Oh woah oh oh woah oh
You've just gotta turn it up loud when the flames get higher
Oh woah oh oh woah oh
Sing it for the people like us, the people like us
They can't do nothing to you, they can't do nothing to me
This is the life that we choose, this is the life that we bleed
So throw your fists in the air, come out, come out if you dare
Tonight we're gonna change forever

Everybody loses it, everybody wants to throw it all away sometimes Ohh

People like us we've gotta stick together Keep your head up nothing lasts forever Here's to the damned, to the lost and forgotten It's hard to get high when you're living on the bottom Oh woah oh woah oh We are all misfits living in a world on fire Oh woah oh woah oh Sing it for the people like us, the people like us Oh woah oh woah oh You've just got to turn it up loud when the flames get higher Oh woah oh woah oh Sing it for the people like us, the people like us Oh woah oh woah oh We're all misfits living in a world on fire Oh woah oh woah oh Sing it for the people like us, the people like us Oh woah oh woah oh You've just got to turn it up loud when the flames get higher Oh woah oh woah oh Sing it for the people like us, the people like us
