

# Chump

## Green Day

I don't know you, but I think I hate you  
You're the reason for my misery  
Strange how you've become my biggest enemy  
And I've never even seen your face Well maybe it's just jealousy  
Mixing up with a violent mind  
A circumstance that doesn't make much sense  
Or maybe I'm just dumb You're the cloud hangin' out over my head  
Hail comes crashing down wetting my face  
Magic man, egocentric plastic man  
Yet you still got one over on me Well maybe it's just jealousy  
Mixing up with a violent mind  
A circumstance that doesn't make much sense  
Or maybe I'm just dumb, I'm a chump
