

Why They Call You Kodak

Kodak Black

Alright, the name Kodak Black!
How'd you get the name Kodak Black?
How'd you get the name Kodak Black?
I mean, it's a lotta ways I could explain it
You know what I'm sayin'?
Brrr, glee, Sniper Gang, ayy
I say, "Man, you gotta let me in the club with my Ruger, man, you got to" Everywhere I go, I got my shooters
with me
I ain't goin' in the club, can't bring my Ruger in it
Ain't no cameraman, but I'll shoot a nigga
Now why they call me Kodak? 'Cause I'll shoot a nigga
Everywhere I go, I got my shooters with me
I ain't goin' in the club, can't bring my Ruger in it
Ain't no cameraman, but I'll shoot a nigga
Now why they call me Kodak? 'Cause I'll shoot a nigga I'm on probation, but I'm sly and not even 'posed to be
out
But I'm lurkin', tryna come see what your press about
See, when it's 'bout me, I'ma slide, run in yo' house
See, when it's 'bout me, niggas die, 'cause I'm in my prime
I ain't got no time to do no beefin', like I'm a vegan
See when it's pressure, I ain't sleepin', I ain't doin' no tweetin'
And I'll violate to get a pussy nigga straight
And when I pull up, when I'm bussin', that shit out the gate
And I don't leave no shells around with my thirty-eight
And I ain't wearin' a suit, but I'll catch me another case
I ain't no engineer, but I got that toolie on me bih
And when I'm in the club, I got that woolie on me bih Everywhere I go, I got my shooters with me
I ain't goin' in the club, can't bring my Ruger in it
Ain't no cameraman, but I'll shoot a nigga
Now why they call me Kodak? 'Cause I'll shoot a nigga
Everywhere I go, I got my shooters with me
I ain't goin' in the club, can't bring my Ruger in it
Ain't no cameraman, but I'll shoot a nigga
Now why they call me Kodak? 'Cause I'll shoot a nigga I shoot a pussy nigga like I'm doin' a film
I don't lay up, I cross up like I'm in the gym
I got my shooters with me posted with me under the rim
I got my sniper on the bleacher, you don't even see him
I got a Beamer, but I'm slidin' late night in the kill
And I ain't playin' football, but I'm really in the field

And Lil' Kodak, I be flashin', I'm scared of snappin'
And I ain't doin' a show if I can't come in with my ratchet
A nigga ever snap my chain, I'ma stop rappin'
These niggas don't really be 'bout the issue, they just be cappin'
I ain't no engineer, but I got that toolie on me bih
And when I'm in the club, I got that woolie on me bih
Everywhere I go, I got my shooters with me
I ain't goin' in the club, can't bring my Ruger in it
Ain't no cameraman, but I'll shoot a nigga
Now why they call me Kodak? 'Cause I'll shoot a nigga
Everywhere I go, I got my shooters with me
I ain't goin' in the club, can't bring my Ruger in it
Ain't no cameraman, but I'll shoot a nigga
Now why they call me Kodak? 'Cause I'll shoot a nigga
I mean, it's a lotta ways I could, I could explain it
You know what I'm sayin'?
It's how I feel in the moment
Yeah, I could explain it that way
That's some fly shit
I think
I ain't no cameraman though, but I'll shoot a nigga
I just thought of that, really
People be asking me that question, in this shit
That's my new answer
