

# Nothing More

Gabe Bondoc

I'm not a very good cook  
But I'll learn if you'd like me to  
And I'm a little bit messy  
But I'll clean up my mess for you  
I watch a lot of TV  
But I will turn it off if you ask me to  
Do it all if you just say I do  
Not the type to play a sport  
But I will play on a team with you  
And when I jog I get bored  
But I'll take up a trail or two  
Don't get what hiking is for  
Cause I'm on top of the world when I'm with you  
But I'll do it all if you just say I do  
Just say I do  
Theres nothing more that I'll ask of you  
Please say I do  
After you say it then I will too  
Just say you do-do-do-do-do  
And it'll be-be ju-just us two  
I'll do it all if you just say I do  
You'd never have to pump gas  
I'll always take out the trash  
And I will be your IT  
So that your mac doesn't crash  
I'll do all that I can  
To make things easier for you  
I'll do it all if you'll just say I do  
Please say I do  
There's nothing more that I'll ask of you  
Please say I do  
After you say it then I will too  
Just say you do-do-do-do-do  
And it'll be-be ju-just us two  
I'll do it all if you just say I do  
I know I'm not quite the responsible type  
But I know that it's in me to be  
And if you say yes  
To this question I'll ask  
I'll be  
All that you need  
Please say I do  
There's nothing more that I'll ask of you  
Please say I do  
After you say it then I will too

Just say you do-do-do-do-do  
And it'll be-be ju-just us two  
I'll do it all if you just say  
I'll do it all if you just say  
I'll do it all if you just say I do
