

Wigwam

Architeq

[illegible]

I'm coming up
(Coming, coming, coming up)
I'm coming up
(Coming, coming, coming up)
I'm coming up
(Coming, coming, coming up)
I'm coming up
(Coming, coming, coming up)
I'm coming up
(Coming, coming, coming up)
I'm coming up
(Coming, coming, coming up)
I'm coming up
(Coming, coming, coming up)
I'm coming up
(Coming, coming, coming up)
I'm coming up
(Coming, coming, coming up)
I'm coming up
(Coming, coming, coming up)
Coming, coming, coming up
Coming, coming, coming up
Coming, coming, coming up
...
