DON'T GIVE UP

CHERLYN MALONEY

Donâ€™t Give up
Sometimes it feels, you cannot make it
Things all around you are falling to pieces
Child! God understandsâ€¦ what youâ€™re going through
So donâ€™t give up, just keep on trusting
Things will get better, keep praying and fasting
No! Donâ€™t you give up, Victoryâ€™s aheadâ€¦..
My god will open up the door
Donâ€™t be afraid just walk right through
Keep holding on, victory is sure
Donâ€™t you give upâ€¦â€¦Victory is sureâ€¦oooh ooh oooh

Sometimes it feels, you cannot make it
Things all around you are falling to pieces
Child! God understandsâ€¦ what youâ€™re going through
So donâ€™t give up, just keep on trusting
Things will get better, keep praying and fasting
No! Donâ€™t you give up, Victoryâ€™s aheadâ€¦..
My god will open up the door
Donâ€™t be afraid just walk right through
Keep holding on, victory is sure
Donâ€™t you give upâ€¦â€¦

If you only believe these few words that I say.
That god is always near and itâ€™s never too late
Just call on his name and heâ€™ll answer your prayers
Just declare your statement of faith

My god will open up the door
Donâ€™t be afraid just walk right through
Keep holding on, victory is sure
Donâ€™t you give upâ€¦â€¦
My god will open up the door
Donâ€™t be afraid just walk right through
Keep holding on, victory is sure
Donâ€™t you give upâ€¦â€¦Victory is sureâ€¦oooh oooh oooh
