I'm Not Alone

Calvin Harris

Can you stay up for the weekend
And blame God for looking too old
Can we find all that you stand for
Has been replaced with mountains of goldYou cannot dream yourself to notice
To feel pain and swallow fear
But can you stay up for the weekend
Till next yearGod I can't do this any more
Though I'll be laid down on the floor
As many feet walk through the door
I'm not aloneIf I see a light flashing

Could this mean that I'm coming home
If I see a man waving

Does this mean that I'm not aloneIf I see a light flashing Could this mean that I'm coming home

If I see a man waving

Does this mean that I'm not alone, noIf I see a light flashing

Could this mean that I'm coming home

If I see a man waving

Does this mean that I'm not aloneIf I see a light flashing

Could this mean that I'm coming home

If I see a man waving

Does this mean that I'm not alone, no
