

I Told You So

Karmin

(karmin)

Aye aye aye is it time?

green light

egotistic battle cry

i was right, you was wrong

called you out

finished strong

whiskey sour lemonade

fences up my barricade

i had heart, you had spades

i could see the color in your face as it fades

That's how it is, ain't no riddle

crunchy on the edge, but soft in the middle

i got a lot, you got a little

i'mma play both drums, you play the fiddle

play it real slow, lean on the bow

everybody's sad when they miss a free throw

lost your control, i'm on a roll

right all along and i knew it in my soul

(chorus)

i told you so

don't want to brag but you already know

(ooh)

i told you so

don't want to brag but you already know

you already know

i told you, i told you, i told you so oh

i told you, i told you, i told you so oh

(karmin)

f-f-f-feels so good, doesn't it

winnin' while they flubbin' it

i was right, you was wrong

figured i would write it in a hip hop song

was it so hard to believe?

i can make it, being me

drank to much Ouzo

my gosh you know

people say a lot of things, make you feel real small

push them out the way, ice latte, tall

i don't really care, i'm really not there
caffeinated up to my eyes, i swear
i'm on the top, you on the flop
going so long and i'm never gonna stop
lost to control, i'm on the roll
right all along and i knew it in my soul
(chorus)

i told you so
don't want to brag but you already know
(ooh)

i told you so
don't want to brag but you already know
you already know

i told you, i told you, i told you so oh
i told you, i told you, i told you so oh
(karmin)

La la la look at me now, fifteen rounds
bottle in my hand' pour a little on the ground
next time you wanna talk trash, i'mma put it on blast
you can get it if you ask for it
put it in the middle for the fat ladies hangin' out
shadder up ya glass house. oops. Ni hao.

meanwhile, i smile
then, i go animal style
i be rackin' up another million,
makin' me another killin', superwoman,
earnin' top dollar bill,
and you must have a lot of feelings
tell me what you really think about it
kiddin', i don't even care

nobody listens to a fool, go put a hater be about another
take it please, got me on my knees
talk to you later, then i'm gonna, na na na, whoop, there goes!
right all along and i knew it in my soul
(chorus)

i told you so
don't want to brag but you already know
(ooh)

i told you so
don't want to brag but you already know
you already know(2x)

i told you, i told you, i told you so oh
i told you, i told you, i told you so oh
