

# Chelsea (Chris Cox Club Mix)

## Stefy

I can see there's something in your eyes  
You just took a fall from paradise  
Saw the lipstick on your neck  
Maybe you should just confess[Chorus]  
I don't wanna lose my head today  
But I know there's something in the way  
Maybe I made a big mistake last night  
When I left you alone with ChelseaChelsea's the kind of girl that's cold as ice  
Beautiful with nails filed sharp as knives  
She called me while you were kissing

So I could hear what I was missing[Chorus]When I left you alone with ChelseaYou're just a typical guy and  
you're typically blind

You can see I'm out of here and that I said goodbye[Chorus]When I left you alone with Chelsea
