Only You

Flying Pickets

Looking from a window above
It's like a story of love, can you hear me?
Came back only yesterday
We're moving farther away, want you near meAll I needed was the love you gave
All I needed for another day
And all I ever knew, only youSometimes when I think of your name
When it's only a game and I need you
Listening to the words that you say
It's getting harder to stay when I see youAll I needed was the love you gave
All I needed for another day
And all I ever knew, only youAll I needed was the love you gave
All I needed for another day
And all I ever knew, only youThis is gonna take a long time
And I wonder what's mine, can't take no more
Wonder if you'll understand
It's just the touch of your hand behind the closed doorAll I needed was the love you gave
All I needed for another day
And all I ever knew, only you
