

# Coney Island Girl (Schmoove Version)

## Fun Lovin' Criminals

[Incomprehensible]Coney Island girl  
I know this ain't no time to be talking  
Yo baby, I'll understand it if you keep on walkingIt's not like I liked you anyway  
It's the way that you swag it and sway  
Reminds me of a girl I used to know back in the bayConey Island girlNow come here and don't get mad  
I gave her all that I thought I had  
I must live my life alone and never kiss anyone else on the cycloneAs crazy as it seems  
I'm having recurring dreams  
You are not there but she is, so now splitConey Island girl  
Coney Island girl  
Coney Island girl  
Coney Island girl
