

Stay the Night (Fred Falke Remix) [Bonus Track]

James Blunt

It's seventy two degrees
Zero chance of rain
It's been a perfect day
We're all spinning on our heels
So far away from real
In California We watched the sunset from my car
We all took it in
And by the time that it was dark
You and me had something, yeah! And if this is what we've got
Then what we've got is gold
We're shining bright and I want you
I want you to know The morning's on it's way
Our friends all say goodbye
There's nowhere else to go
I hope that you'll stay the night Ooh, you'll stay the night
Ooh, yeah! We've been singing Billie Jean
Mixin' vodka with caffeine
We've got strangers stopping by And though you're out of tune
Girl you blow my mind, you do
And I'll say as I don't wanna say goodnight If there's no quiet corner
To get to know each other
And there's no hurry
I'm a patient man as you'll discover Cause if this is what we've got
Then what we've got is gold
We're shining bright and I want you
I want you to know The morning's on it's way
Our friends all say goodbye
There's nowhere else to go
I hope that you'll stay the night
Ooh, you'll stay the night
Ooh, yeah! Just like the song on my radio set
We'll share the shelter of my single bed
But it's a different tune that's stuck in my head
And it goes If this is what we've got
Then what we've got is gold
We're shining bright and I want you
I want you to know The morning's on it's way
Our friends all say goodbye
There's nowhere else to go

I hope that you'll stay the night If this is what we've got
Then what we've got is gold
We're shining bright and I want you
I want you to know The morning's on it's way
Our friends all say goodbye
There's nowhere else to go
I hope that you'll stay the night
