Love, love for me
Love, love for me is love
I call your name
I keep on looking for you
And I don't know
Don't know where we goin'
[Incomprehensible][Incomprehensible]There is no way
The way to stop me falling
Believe in me
I can set you free tonight
You never elisir enough, oh, no
Something's taking over me
Your love, your love
Your love is on my mind
Your love, your love
Your love is on my mind

(Your love is for me)
Your love, your love
Your love is on my mind
Your love, your love
Your love is on my mind
(Your love is for me)

[Incomprehensible]Your love, love for me is
Your love, love for me
Love, love for me is
Your love, love for me
Love, love for me is
Love, love for me
Love, love for me, is love
I call your name
I keep on looking for you
And I don't know
Don't know where I'm goin'
[Incomprehensible][Incomprehensible]There is no way
The way to stop me falling
Believe in me
I can set you free tonight
You never elisir enough, oh, no
Something's taking over me
