

I Wanted Everything

Ramones

I heard about the Easter bunny presents under a Christmas tree
It was dreaming and fantasy there was no Mom or Daddy
I wanted everything, I wanted everything, I wanted everything
I had the world on my shoulder but I was getting older
Knew I was ready for it some kind of home employment
I wanted everything, I wanted everything, I wanted everything
All day working on a truck bringing the groceries up
Not much of a salary, no tip for the delivery

I wanted everything, I wanted everything, I wanted everything
There's no success for me, involved in a robbery
There's money in the supermarket and I'm goin' in after it
I wanted everything, I wanted everything, I wanted everything
I wanted everything, I wanted everything
I wanted everything, I wanted everything
I wanted everything, I wanted everything
