

Chandelier (Glee Cast Version)

Glee Cast

Madison:

Party girls don't get hurt
Can't feel anything, when will I learn?
I push it down, push it down

Kitty:

I'm the one for a good time call
Phone's blowin' up, ringin' my doorbell
I feel the love, feel the love

Madison with Jane, Kitty and New Directions:

One, two, three
One, two, three, drink
One, two, three
One, two, three, drink
One, two, three
One, two, three, drink

Jane with Madison and Kitty:

Throw 'em back, till I lose count

Madison with New Directions:

I'm gonna swing from the chandelier, from the chandelier
I'm gonna live like tomorrow doesn't exist, like it doesn't exist
I'm gonna fly like a bird through the night, feel my tears as they dry
I'm gonna swing from the chandelier, from the chandelier

Jane and Kitty with New Directions:

And I'm holding on for dear life
Won't look down, won't open my eyes
Keep my glass full until morning light
Cause I'm just holding on for tonight

Help me, I'm holding on for dear life
Won't look down, won't open my eyes
Keep my glass full until morning light
Cause I'm just holding on for tonight, on for tonight

Jane:

Sun is up, I'm a mess

Gotta get out now, gotta run from this
Here comes the shame, here comes the shame

Madison with Jane, Kitty and New Directions:

One, two, three
One, two, three, drink
One, two, three
One, two, three, drink
One, two, three
One, two, three, drink

Jane with Madison and Kitty:
Throw 'em back, til I lose count

Madison with New Directions:

I'm gonna swing from the chandelier, from the chandelier
I'm gonna live like tomorrow doesn't exist, like it doesn't exist
I'm gonna fly like a bird through the night, feel my tears as they dry
I'm gonna swing from the chandelier, from the chandelier

Jane and Kitty with New Directions (Madison):
