Red

Okkervil River

Loving him is like driving a new Maserati down a dead end street
Faster than the wind
Passionate as sin, ended so suddenly
Loving him is like trying to change your mind
Once you?re already flying through the free fall
Like the colors in autumn
So bright just before they lose it all
Losing him was blue like I?d never known
Missing him was dark grey all alone
Forgetting him was like trying to know somebody you've never met
But loving him was red
Loving him was red
Touching him is like realizing all you ever wanted was right there in front of you
Memorizing him was as easy as knowing all the words to your old favorite song
Fighting with him was like trying to solve a crossword and realizing there?s no right answer
Regretting him was like wishing you never found out love could be that strong
Losing him was blue like I?d never known
Missing him was dark grey all alone
Forgetting him was like trying to know somebody you've never met

But loving him was red
Oh red burning red
Remembering him comes in flashbacks and echoes
Tell myself it?s time now, gotta let go
But moving on from him is impossible
When I still see it all in my head
Burning red!
Darling it was red!
Oh, losing him was blue like I?d never known
Missing him was dark grey all alone
Forgetting him was like trying to know somebody you've never met
Cause loving him was red yeah yeah red
We're burning red
And that's why he's spinning round in my head
Comes back to me burning red
Yeah yeah
Cause love was like driving a new Maserati down a dead end street
