

Working On a Dream

Bruce Springsteen

Out here the nights are long, the days are lonely
I think of you and I'm working on a dream
I'm working on a dream Now the cards I've drawn's a rough hand, darling
I straighten the back and I'm working on a dream
I'm working on a dream Come on! I'm working on a dream
Though sometimes it feels so far away
I'm working on a dream
And I know it will be mine someday Rain pourin' down, I swing my hammer
My hands are rough from working on a dream
I'm working on a dream Let's go! I'm working on a dream
Though trouble can feel like it's here to stay
I'm working on a dream
Well our love will chase trouble away Alright! [whistling interlude]
That's professional whistling right there! I'm working on a dream
Though it can feel so far away
I'm working on a dream
Our love will make it real someday The sun rise come, I climb the ladder
The new day breaks and I'm working on a dream
I'm working on a dream
I'm working on a dream
I'm working on a dream Hey! I'm working on a dream
Though it can feel so far away
I'm working on a dream
Our love will make it real someday
I'm working on a dream
Though it can feel so far away
I'm working on a dream
And our love will make it real someday
