

God Gave My Everything

Mick Jagger

You can see it in a clear blue sky You can see it in a woman's eyes You can hear it in your lover's sighs You can hear it in your baby's cries You can touch it in a grain of sand Yeah hold it right there Feel it 'round you everyday In the palm of your hand And hear what I've got to say God gave me everything I want I'll give it all to you Come on I'll give it all to you God gave me everything I want Come on And I feel it in the race I won I saw it in the midnight sun And I hear it in the windy storm And I feel it in the icy dawn And I smell it the wine I taste And I see it in my father's face And I hear it in a symphony And I feel it in the love You show for me Yeah God gave me everything I want I'll give it all to you God gave me everything I want Oh come on Come on I'll give it all to you I can't stop can't stop God gave me everything I want I'm still looking now God gave me everything I want I'll give it all to you Oh come on Crazy you said It's all in your head [Chorus]
